So lately, been wondering  
Who will be there to take my place  
When I'm gone you'll need love  
To light the shadows on your face  
If a great wave shall fall and fall upon us all  
Then between the sand and stone  
Could you make it on your own

CHORUS

If I could, then I would  
I'd go wherever you will go  
Way up high or down low  
I'll go wherever you will go  
And maybe, I'll find out  
A way to make it back someday  
Towards you, to guide you  
Through the darkest of your days  
If a great wave shall fall and fall upon us all  
Then I hope there's someone out there  
Who can bring me back to you

CHORUS

Run away with my heart  
Run away with my hope  
Run away with my love  
I know now, just quite how  
My life and love might still go on  
In your heart, in your mind  
I'll stay with you for all of time

CHORUS

If I could turn back time  
I'll go wherever you will go  
If I could make you mine  
I'll go wherever you will go  
I'll go wherever you will go
