"Winter Kills"

Green in your love on bright days
You grew sun blind, you thought me unkind
To remind you how winter kills

Lost in daydreams you drove too fast and got nowhere
You rode on half fare when you got too scared
How winter kills
Tear at me searching for weaker seams

Pain in your eyes makes me cruel, makes me spiteful
Tears are delightful welcome your nightfall
How winter kills
I'll tear at you searching for weaker seams

Winter kills
Winter kills
Winter kills
