"World Without End"

Perpetual light
Eternal rest
Grant unto her
Her soul be blessed

And her faithful heart
With all pain, depart

Lighter than air
Safer in your arms
Borne on the breeze
Welcome in your arms

World without end

Be there no doubt
Be there no fear
Within your love
Our one glad heart

Offered up to you
Our precious soul for you

How sweet the refrain
Safer in your arms
Hold us again
Welcome in your arms

World without end

May we remain
Ever in your guard
Home again
Safely in your arms

World without end
Without end
