Golden Earrings

Peggy Lee

Music and Lyrics by Victor Young and Jay

Livingston/Ray Evans

From the movie Golden Earrings

there's a story the gypsies know is true  
That when your love wears golden earrings,  
She (he) belongs to you.  
An old love story that's known to very few,  
But if you wear those golden earrings,  
Love will come to you.  
By the burning fire, they will glow with every coal.  
You will hear desire whisper low inside your soul.  
So be my gypsy;  
Make love your guiding light,  
And let that pair of golden earrings  
Cast their spell tonight.
