When we are dancing and you are dangerously near
me

I get ideas, I get ideas

I wanna hold you so much closer than I dare to

I wanna scold you 'cause I care more than I care to

And when you touch me and there's fire in every finger

I get ideas, I get ideas

And after we have kissed goodnight and still you linger

I kinda think you get ideas too

Your eyes are always saying the things you're never
saying

I only hope they're saying that you could love me too

For that's the whole idea, it's true

The lovely idea that I've fallen in love with you

Your eyes are always saying the things they're never
saying

I only hope they're saying that you could love me too

For that's the whole idea, it's true

The lovely idea that I've fallen in love with you
