Just in time, I found you just in time
Before you came my time was running low
I was lost, the losing dice were tossed
My bridges all were crossed, nowhere to go

Now you're here and now I know just where I'm going
No more doubt or fear, I found my way
For love came just in time, you found me just in time
And changed my lonely life that lovely day

Now you're here and now I know just where I'm going
No more doubt or fear, I found my way
For love came just in time, you found me just in time
And changed my lonely life that lovely day

Just in time
Just in time
Just in time
Just in time
