So, tell me babe what's new and how's the scene with
you?

Gee, it's good to see you, babe

Yeah, I missed you so, how, you'll never know

Gee, it's good to see you, babe

You walked in, lights went on all over my face

You lit up the place and you've been gone just too long,
now

So, tell me babe what's new? You glad to see me too

Hey, my world is spinnin', now I know I'm winnin'

You stay home now, don't ever roam now

And I'll say baby, it's so good to see you

Gee, it's good to see you, babe

Gee, it's good to see you, babe

You walked in, lights went on all over my face

You lit up the place and you've been gone just too long,
now

Tell me babe what's new? You glad to see me too

Hey, my world is spinnin', now I know I'm winnin'

You stay home now, don't ever roam now

And I'll say baby, it's so good to see you
