(Peggy Lee)

I love the winter weather
So the two of us can get together
There's nothing sweeter, finer
When it's nice and cold
I can hold
my baby closer to me
And collect the kisses that are due me
I love the winter weather
Because I've got my love
to keep me warm

(Benny Goodman)

I love the winter weather
So the two of us can get together
There's nothing sweeter or finer
When it's nice and cold
I can hold
my baby closer to me
And collect the kisses that are due me
I love the winter weather
'cause I've got my love
to keep me warm

(Peggy Lee)

I love the winter weather
So the two of us can get together
There's nothing sweeter, finer
When it's nice and cold
I can hold
my baby closer to me
And collect the kisses that are due me
I love the winter weather
Because I've got my love
to keep me warm
