Befarma Raaze Khamoshi

Emshab ba che taswir konam naqshe jamaalat  
Baare ba sokhan, ya ba qalam, ya sowar-o rang  
Balaa-tar az aani, ke ba pendaar begonji  
Gar chang konad naala wo gar nauha konad sang

Az to wojoode maa, az to rawaane maa  
Ay Khaaleqe jahaan, az to neshane ma

Ya Allah, ya Allah, bar darat sojooode maa  
Ya Allah, ya Allah, ay ferooghe qalb haa

Ay aan ke az ferooghat, gharqe safaast dunyaa  
Ay aan ke aafaridi, az khaake tira maa raa  
In jelwa-gaahe hasti, az charkh taa sorayaa  
Ba zaat tost qaayem, ba naame tost payda

To paadshaahe aalam, soltaane kaayenaati  
dunyaast jomla faani, tanha to dar sebaati  
dar-yaab baaz maa raa, to maaleke hayaati  
Ma gharqe bahre hasti, to mazhare nejaati

Parwardegaare aalam, maalek-e roze jazaa  
Ay aan ke daadi ba maa darse mehro wafaa  
Raushan ze noore paakat, sobhe omido safaa  
Door az badi wo nefrat, yarab bedaar maa raa.
