khuda Bowad Yaaret

Khuda bowad yaaret
Quran negahdaaret
Sakhee madadgaaret, Sakhee madadgaaret

Alla yaar jan khatar dara judaye
Nehale besamar dara judaye
Beya ke ma o tu yaakja besheenem
Ke marge bekhavar dara judaye

Delle man zin ahma khaama fesurda
Tawanem ra khaama eshqi tu borda
Beree khad rooze aaree bar sare man
Cheraghee omree man benee ke morda

Alla yaarak tu shookho nazanenee
Chura az man tu dooree megozenee
Beyayee deedanem tarsem ke on rooz
Bakhair az sabzaye khaakem nabenee
