But we 'bout to wreck it  
Wit this new step

Stick ya arms out  
Go left, stick 'em

Right side left side

Hey D  
(Wat up lil homie)  
Remember when Cali Swag  
Taught 'em how to dougie?  
(Oh, yeah)  
They put their arms out  
Leaned to the left side  
Put it in reverse  
And then bring it back right  
Them boys were  
Getting it, I ain't lyin'  
Representing the homies  
From the hood of Morningside  
But we 'bout  
to do our own new thang  
And have 'em roca like this  
Witta Rebel swang

You get the memo  
On how it go  
From da eastcoast  
Dirty south to da West shores  
We drop it low  
To da flo  
Put a spin on it  
Just to sho 'em we got flo  
Have them boys screaming  
Shawty, Shawty  
Get it, Get it  
Making wanna move  
To da hood  
That's represented  
When I roca like this  
It gets contagious  
Think ya immune  
Boy, that thought is  
just outrageous

I move my shoulders  
Like I got a twitch  
Buckle my knees  
Like I'm 'bout to dip  
Now I throw lil'  
Rebel swag in it  
They gotta know  
how da west  
is being represented  
(all day)  
don't leave no question 'bout  
how low you can go  
when you roca like this  
down to the dance floor  
get ya boogie on  
til the break of dawn  
and ya know it's all good  
'cause we just having fun

(chorus)  
I'm gonna roca like this  
(hey, hey, hey, hey)
