I'm nothing,
I'm nothing
Got here, and now I'm gone
So many
days fly by
You haunt me the times I shut my eyes
Choke softly from the poetry
It doesn't sound as true
When you still wear her scent

I never thought you would've
Thrown something back,
Ripping apart my heart.
(I see you only at night)

Won't look back,
Wretched night.

I pray for peace of mind
I beg for a brand new life
I plead for a second chance
And the ability to shut my eyes at night

I pray for peace of mind
I beg for a brand new life
I plead for a second chance

And the ability to shut my eyes at night

Angels die and memories fade
I'll live to see, the day that you break

I never thought you would've
Thrown something back,
Ripping apart my heart.
I see you only at night.

My heart fades
My heart fades

A true friend stabs you in the front
A true friend stabs you in the front

A true friend stabs you in the front
A true friend stabs you in the front

I pray for peace of mind
I beg for a brand new life
I pray for a second chance
And the strength
To burn this mother fucker down
