I can't close my eyes
I can't shut my eyes to you
I can't close my eyes
I won't shed a tear for you
Not this time

No matter how hard I try
I break all the ties
Heartbreak is forever
Land of the lost
I found myself in nothing
This time
Promises broken
Find me clutching to you
For something
Something that you're not

Believing in what you say
Makes me lie awake at night
The truth is not what scares me
It's why you have to lie
All the time

Heartbreak is forever
I found myself with nothing to believe in
This time
The promise is broken finally
Clutching you for something
All the time

I can't close my eyes
I can't shut my eyes to you
I can't close my eyes
I won't shed

Not this time

Cause heartbreak is forever
Heartbreak is forever
Heartbreak is forever
Heartbreak is forever
Heartbreak is forever

But nothing lasts forever.
