Ladies and gentlemen,  
We understand that you  
Have come tonight  
To bear witness to the sound  
Of drum  
And  
Bass  
We regret to announce  
That this is not the case,  
As instead  
We come tonight to bring you  
The sonic recreation of the end of the world.  
Ladies and gentlemen,  
Prepare  
To hold  
Your  
Colour  
OK.  
Fuck it,  
I lied.  
It's drum and bass.

What you gonna do?
