You sure, you're right?  
Well no, you're wrong  
You don't feel my energy  
But it won't be long  
I see the sun  
Believe the dark  
Soon I'll disappear  
But I'll make my mark

All these fears  
And all this love  
All you've given me  
Is not enough  
All my dreams  
And all this stuff  
All made real  
And it's not enough

Watching, waiting, shaping, faking  
Shocking, pumping, mocking, stopping  
Falling, stalling, warning, crawling  
Rejecting, perfecting, loving, ending

Behind my eyes  
Is rage alone  
But you don't understand  
It was all home-grown  
I'm not afraid  
I just don't belong  
It may be cynical  
But it all seems wrong

All these fears  
And all this love  
All you've given me  
Is not enough

All my dreams  
And all this stuff  
All made real  
And it's not enough

Watching, waiting, shaping, faking  
Shocking, pumping, mocking, stopping  
Falling, stalling, warning, crawling  
Rejecting, perfecting, loving, ending

Behind my eyes  
Is rage alone  
But you don't understand  
It was all home-grown  
I'm not afraid  
I just don't belong  
It may be cynical  
But it all seems wrong

All these fears  
And all this love  
All you've given me  
Is not enough  
All my dreams  
And all this stuff  
All made real  
And it's not enough

Watching, waiting, shaping, faking  
Shocking, pumping, mocking, stopping  
Falling, stalling, warning, crawling  
Rejecting, perfecting, loving, ending
