You arrive, in the rising sun.  
The hidden passenger, that I've been taking.  
Close your eyes, let's forget again.  
As you drag me down, I will take you in.

What are you waiting for?  
Just surrender here tonight.  
What are you waiting for,  
as we go towards the light?

When everything is said and done.  
To looking for answers if only one.  
Turn my back, the urge has gone.  
Left with no reason we come undone.

I am caught, in your slow release.  
Seems like your traveller's, eager to move me.  
My reflection, will slowly fade  
to another time until my head escapes.

What are you waiting for?  
Just surrender here tonight.  
What are you waiting for,  
as we go towards the light?

When everything is said and done.  
To looking for answers if only one.  
Turn my back, the urge has gone.  
Left with no reason we come undone.
