"The Island - Part I"

You arrive in the rising sun
The hidden passenger that I've been takin'
Close your eyes, let's forget again
As you drag me down, I will take you in

What are you waiting for?
Just surrender here tonight
What are you waiting for?
As we go towards the light

When everything is said and done
Two looking for answers, if only one
Turn my back, the edge has gone
Left with no reason, we come undone

I am caught in your slow release
Seems like your traveler is eager to move me
My reflection will slowly fade
To another time, into my head escapes

What are you waiting for?
Just surrender here tonight
What are you waiting for?
As we go towards the light

When everything is said and done
Two looking for answers, if only one
Turn my back, the edge has gone
Left with no reason, we come undone
