Theres no earthly way of knowing...
Which direction we are going...
There's no knowing where we're rowing...
Or which way the river's flowing...
Is it raining, is it snowing, is a hurricane a-blowing?
Not a speck of light is showing so the danger must be
growing!
All the fires of hell are blowing, is the grizzly reaper
mowing?
YES! the danger must be growing, for the rowers keep
on rowing, and they're certainly not showing,
ANY SIGNS THAT THEY ARE SLOWING!
OOOOAAAAHHHHHHH!

Theres no earthly way of knowing...
Which direction we are going...
There's no knowing where we're rowing...
Or which way the river's flowing...
Is it raining, is it snowing, is a hurricane a-blowing?
