#### [Verse 1]

People come and people go  
Yeah, that's just the way it is, I know  
Promises were never spoken  
That way we kept our options open

#### [Pre-chorus]

Seems like only yesterday  
I watched you as you walked away  
The summer sun was beatin' down  
You never even looked around

#### [Chorus]

And the leaves have turned  
(Leaves have turned, yeah)  
Oh yeah, and the sun is low  
(And yeah, the sun is low)  
And you've come and gone  
But I can't seem to let you go  
(Baby, baby no)

#### [Verse 2]

Things that worked for me before  
Oh, they just don't do it anymore  
The last train's gone  
The bars are closed, yeah  
November wind cuts through my clothes

#### [Pre-chorus]

Seems like only yesterday  
I watched you as you walked away  
The summer sun was beatin' down  
You never even looked around

#### [Chorus]

And the leaves have turned  
(Leaves have turned, yeah)  
Oh yeah, and the sun is low  
(And yeah, the sun is low)  
And you've come and gone  
But I can't seem to let you go

(Baby, baby no)

[Bridge]

When will I see you again  
What were we thinkin' back then

[Chorus out]

And the leaves have turned  
(Leaves have turned, yeah)  
Oh yeah, and the sun is low  
(And yeah, the sun is low)  
And you've come and gone  
But I can't seem to let you go  
(Baby, baby no)
