"Different Breed"

They've got shiny cars and polished nails
Yeah, those girls they've got everything right
They've got fancy clothes, perfect hair, steady lives
But I don't

They're the first to send out thank you notes
They've got well kept homes to entertain
They'll do anything just to please you
But I won't

If these are the girls that you choose
What make you think I'd be good for you

Chorus:

Can you tell me baby
What do you see in me
I'm a fast ride, I'm a crashing tide and
I'm crazy
Can you tell me baby
What do you see in me
You've loved a long line of consistency
I'm a different breed

Every time you take me out boy
We see another girl whose held your hand
And she acts like she doesn't care with me
But I know..
She don't like the way I look on you
I make her nervous 'cause I don't fit in
With my deep brown eyes, cigarette, cowboy boots
I stand alone (alone-whoa)
Baby I wonder if you know what
You're getting yourself into

Repeat Chorus:

Can you tell me baby
What do you see in me
I'm a fast ride, I'm a crashing tide and
I'm crazy
Can you tell me baby
What do you see in me

You've loved a long line of consistency
I'm a different breed

guitar solo

Whoa, whoa, whoa
Whoa. whoa, whoa

Repeat Chorus:
Can you tell me baby
What do you see in me
I'm a fast ride, I'm a crashing tide and
I'm crazy
Can you tell me baby
What do you see in me
You've loved a long line of consistency
I'm a different breed

Whoa, whoa, whoa
Whoa. whoa, whoa
