Take off my shoes, let down my hair  
It's not quite enough of me,  
Not enough for you to care  
Summer is lonely, summer is slow  
Run out the back door of the church,  
I gotta go

Cause I can't hold on  
This is my goodbye song  
And I will scream it aloud

It's the same old chord,  
It's the same old mess  
I fall straight to the floor  
And take off my dress  
Now I'm exposed, now I've come clean  
Turn off the noise  
Rip at the seams

Cause I can't hold on  
This is my goodbye song  
And I will scream it aloud  
I'm gone

Don't even know what I'm running from  
The music is over, the music is done  
And it's been so long  
I've been drivin' for years  
And no one even notices I'm gone  
And I can't hold on  
So I'll sing you my goodbye song

And I will scream it aloud  
I'm gone
