Fireflies flying
Moon shine, shining
Your kiss boy is burning me
More than the wine
Oh welcome to my simple little screwed up life

Crickets singing
My mind reeling
Will we be happy ever after
Or just once upon a time
Oh welcome to my simple little screwed up life

Are you falling
Or are you just talking
Saying what I want to hear
It's music to my ears
I hope it's true
Between me and you
I don't know why
I don't know why
Oh welcome to my simple little screwed up life

Oh welcome to my simple little screwed up life

Are you falling
Or are you just talking
Saying what I want to hear
It's music to my ears
I hope it's true
Between me and you
I don't know why
I don't know why
Oh welcome to my simple little screwed up life

Your heart's racing
My body's shaking
Am I gonna leave you babe
Or will I stay the night
Oh welcome to my simple little screwed up life
Oh welcome to my simple little
Welcome to my simple little

Welcome to my simple little screwed up life
