Drivin' home down the interstate
I had one thing on my mind
Lately I've been oh so good
But I'm ready to cross that line
Boy you're gonna find yourself in trouble tonight

Baby get ready
'Cause there's no fighting
This feeling that I have for you
I've already had two glasses of wine
There's no telling what we're gonna do
Tonight we're gonna tear this whole house up
And we ain't makin' love

We ain't makin' love

There won't be no candles burning
No music turned way down low
There won't be no fresh cut roses
No love letters on that floor
There won't be no questions
When you walk through that door
Yeah, yeah

Baby get ready
'Cause there's no fighting
This feeling that I have for you
I've already had two glasses of wine
There's no telling what we're gonna do
Tonight we're gonna tear this whole house up
And we ain't makin' love

Now you're standing at the front door
Why don't you come a little closer to me
On let me show you just how bad your good girl
Is about to be
Yeah, yeah

Baby get ready
'Cause there's no fighting
This feeling that I have for you

I've already had two glasses of wine
There's no telling what we're gonna do
Tonight we're gonna tear this whole house up
And we ain't makin' love

Tonight we're gonna tear this whole house up
And we ain't makin' love
We ain't makin' love
We ain't makin' love
We ain't makin' love
We ain't makin' love
Oh yeah
We ain't makin' love
We ain't makin' love
Oh we ain't makin' love
Oh yeah
We ain't makin' love
Oh yeah
