Baby, you got me seeing stars in the bright day light  
Baby, I can hear the bell ringing and the little birdies  
singing  
It's a wham-bam pull  
Every time you walk in the room  
Every time you walk in the room

You knock me out  
The way you kiss me  
I'm all about, being with you  
I'm down for the count  
The way you love me  
You knock me out

Baby, every time you kiss me I'm a little blind sided  
Baby, my heart's getting dizzy I can feel the room  
spinning  
It's an 8 9 10, if you catch me off guard again  
Every time you walk in

You knock me out  
The way you kiss me  
I'm all about, being with you  
I'm down for the count  
The way you love me  
You knock me out

You knock me out  
The way you kiss me  
I'm all about, being with you  
I'm down for the count  
The way you love me  
Ooh, the way you love me

You knock me out  
The way you kiss me  
I'm all about, being with you  
I'm down for the count  
The way you love me  
You knock me out

Ooh baby  
You knock me out
