Hold on, my dear,
I thought that it would last the years,
But she is gone and you are here.
My love, stay clear,
Slow down, don't replace her,
Hold emotions back, It's just physical.

The hardest times, control the girl,
the hardest times, control the girl

[Chorus:]

Tonight, tonight, you'll be the one tonight
Tonight, tonight, you'll be the one tonight
I've lost my love, but for now yours is enough;
Tonight, tonight, you'll be the one tonight
Tonight, tonight, you'll be the one tonight
Honest, intentional

Hold on, my dear,
I never said that life was fair,
But one night might be all we have;
My love, stay clear,
Pinned against the wall with my hand in her hair.
My body is here but my heart is elsewhere.

The hardest times, control the girl,
the hardest times, control the girl.

[Chorus]

The one night:
The notion, the verdict, the scar;
We hang guilt on our sleeve;
Cause our hearts wont stretch that far;
And I know, just how the worst will turn out;
But sadly she's not here, and sadly she's not present,
The one who left me searching for a meaningless
replacement;
And when we know the truths that we never can admit,
We run from our true self and create a lie that fits;

You made it right, you didn't make it better [x7]

No, no, no
You don't know, you don't know what I know

I won't pretend I'm happy with all of this.
I won't pretend,
So just let yourself go.
You might as well 'cause it gets worse from here.

You made it right, you didn't make it better [x2]

You know, You know...
You know, You know...
