Well i built my life around you,
Did what i thought was right,
But you never cared about me
Now ive seen the light,
Oh darlin,
There aint no pleasin you.

You seem to think that everything i did was wrong
I should have known it, all along
Oh darlin
There aint no pleasin you.

You only had to say the word,
And you knew i'd do it,
You had me where you wanted me,
But you went and blew it.
Everything i ever done,
Was only done for you,
But now you, can go
And do just what you wanna do.
I'm telling you

Cause i aint gonna be made to look a fool no more,
You've done it once too often
What do you take me for,
Oh darlin,
There aint no pleasing you

You seem to think everything i ever did was wrong,
I should have
Known it all along,
That darlin
There aint no pleasin you.

You only had to say the word,
And you knew i'd do it,
You had me where you wanted me,
But you went and blew it.
Everything i ever done,
Was only done for you,
But now you, can go

And do just what you wanna do.
I'm telling you

Cause i aint gonna be made to look
A fool no more, you've done it
Once too often what do you take me for,
Oh darlin
There aint no pleasing you.

Now if you think that i dont mean what i say and i'm
only bluffing,
You've got another thing coming i tell you that for
nothing,
Oh darlin
Im leaving thats what i'm gonna do.
