Days and days go by,  
It's made me realize.  
Days and days go by,  
Still trying to make things right.  
I'm not so sure that I can do much more.

[Chorus:]

We tell time on our broken watches,  
Somehow our hearts still find their way.

Oh, alone we may fight  
But we always sleep through the night.  
For we wait until the stars come out,  
To know what this is all about.  
I'm not so sure that I can do much more.  
Days pass us by, still I try.

[Chorus] x 2

Days and days go by.  
Days pass us by, still I try.
