We don't see out at all
Me and my niggas, just wanna win
Courtside seats, at the sixes so close to the court
The coach almost saw me in
Man it feels good to be a winner
Hustle all night, summer, spring, winter
Tryina get money, I forgot to eat dinner
Please lord forgive me, cause I'm a sinner
Chicks on my wood so I gotta give them splinters
Love a hood chick with priorities
Closet freak, pumping through her arteries
Ain't you that dame from the hood
Wearing all the fly shit, living in house that authority
That's you
I'm living a life, Philadelphia days, Miami nights
Even though I only been to Miami twice
Versace button ups like I'm Miami vice

Smoke with my shades on, drink with my shades on
I do everything with my shades on
Party with my shades on, smash with my shades on
I do everything with my shades on
I do everything with my shades on
Do you do everything with your shades on?

I hustle all night and all day though
Fast money but sometime that shit takes slow
Running up on me, you better lay low
Break the k down, remind me of a lego
Friends quick to cost a nigga like yayo
I'm just a west philly nigga with a yay flow
Hopping out that box chevy like hey hoe
Thick chick she remind me of J lo
Bad credit, high interest rates
I start my day early just to make sure I finish late
Go rappers, help me penetrate,
Get felatio, on the interstate
Willing, that's just how I'm feeling
Even if we outside, we still in the building
Like a custodian, like my women different flavors
Like they napoleon
These niggas never got chicks around them

Ain't nothing funny man, this ain't nickelodeon

Smoke with my shades on, drink with my shades on
I do everything with my shades on
Party with my shades on, smash with my shades on
I do everything with my shades on
I do everything with my shades on
Do you do everything with your shades on?
