I serve the blinding light
I hope it colors
The visions in my head
It's crowded, it's crowded

Everybody's looking for something
Everybody's trying to find some salvation to

[Chorus:]

You're the one, the one
You're my Neon Moon
You're the one, the one
And I'll be there soon
And it burns, and it burns
And it's burning for you
And it burns, and it burns
And it's burning for you
It's burning for you. Ow!

I tried two-thousand times
It's getting harder
The voices in my mind
It's crowded, it's crowded

Everybody's going all night
Everybody's trying to find some salvation to

[Chorus]

You can't do without...
