(Intro)

Heir Waves

20-13 shit

CNC

F A T E

(Verse)

The wildest that you ever seen, livest nigga on the screen

Newest that you ever heard but sound is so pristine

And I'm feeling like a king, not living like a Keem

Coming to America and making every bitch my queen

It's my world, no icky but I get busy

Bitch you my girl, stuck with me, fuck with me

Yea you fly girl, I take you high girl

Treat you like J Lo, give you halos high as heaven,

Be my angel on the dark side

Come take a coke ride

Girl don't keep passing me by, come to the far side

Protect you heart, I might be destroyed by

My sharp tongue, you want some

C bought none, you'll get sprung

Yea your bro will get undone

Not fun, we'll become one

This love can't give you none, this dick can bring you some

Real nigga, been one

Trill niggas with them

Bad bitches got those

And swag flag - I got fuck

(Hook)

I know you like that shit (I know you like that shit)

I know you like that shit (I know you like that shit)

Tell me how you like that shit (Tell me how you like that shit)

Girl I know you like that shit, come and bite that dick

Let me fulfill your fantasies, fantasies and dreams

I can fulfill your fantasies, fantasies and dreams

Let me fulfill your fantasies, fantasies and dreams

I can fulfill your fantasies, fantasies and dreams

(Verse)

Caught on the same old shit,  
Taste too fresh to get blame on him  
Came to change the game, bring a new way  
Advantage taking place, I'm all in  
I go in, yall was sleeping  
I'm up workin late night creepin  
Badd bitches calling for a red light special  
BYT's wants CNCN  
In the love K, I just in the love K  
Them bitches wanna fuck me cause it's in the love  
swag  
And keep em coming, better keep em running  
Back to live group, keep em dropping that  
2 more pills, keep em popping that  
2 more lines, keep er snorting that  
Columbiana, yea we importing that  
If she got some for friends, you know that they can join  
in now  
Bedroom - that's where we performing at  
Grab the mike, put on a show  
You got a secret, I wanna know  
It's go time  
We racing, no room for patience  
Girl this yo time  
Might be your chance to get famous  
I got all your favorite songs listed here on my playlist  
We can do all the right wrongs, you get what I'm sayin?

(Hook)

I know you like that shit (I know you like that shit)  
I know you like that shit (I know you like that shit)  
Tell me how you like that shit (Tell me how you like that  
shit)  
Girl I know you like that shit, come and bite that dick

Let me fulfill your fantasies, fantasies and dreams  
I can fulfill your fantasies, fantasies and dreams  
Let me fulfill your fantasies, fantasies and dreams  
I can fulfill your fantasies, fantasies and dreams
