I'm a winner baby in a winner circle,  
You wanna come and join me  
Take me back to the bedroom, spoil me  
Pull up to Johnson & Johnson's, tell me chase or me  
The way she shakin that ass it's like it's all for me  
The way she starin - it's makin me wanna record this  
Soon as I'm done man she knowin that I'm gonna want  
more of it  
On that super freaky shit cause normal is boring  
And she can't contain herself, that spaceship got er  
soaring

(Hook)

You let me do all of the freaky things I love to do  
I fuck with you, I fuck with you  
If somebody tell you anything different it ain't true  
I fuck with you girl, I fuck with you

(Verse)

She was from NY,  
Got a crib in Harlem but she from Brooklyn, she been  
fly  
See I met er down in ATF, she was on a grind  
Had Rolex with her pretty smile and her bright eyes  
In a business suit with foamed hair, her nice stars  
Lookin thicker than a stripper at the mall  
Said she down to have a ball, bring your friends for my  
dog

Know that I'mma keep up but you know that you can't  
keep me long  
One I freak you I'mma leave you like the trees in the fall  
Let another nigga clean you up cause I'mma tear you  
down  
On to the next one, Jigga style, how you like me now?  
Treat you like a girl from H Town when I screw you out  
Chop it down, I be takin bad bitches out

(Hook x2)

You let me do all of the freaky things I love to do  
I fuck with you, I fuck with you  
If somebody tell you anything different it ain't true  
I fuck with you girl, I fuck with you
