This struggle got my blood could,
Let it froze, that my shorty, I got chill bones,
I'm real tho, she's with me cause I feel strong
Real strong, giving something that we can build a real
home
Is she hold me down for real, she's a real one, see my
mission it's to live on through my own ...
....
I just wanna hood on so they feel good dog
Cause they've been down for too long, say many nigga
too..., many faces I've ...
Praying for a new , working from the bottom to the top
until treat fall
When I see the light that's just mean enough for me
dog
Until I see the light, I'm a dude that's meant to be dog
All I got it's me and mine, that' just all I need in life
That's just all I need in life, my family and a piece on
mine
Some energy and piece of mine
Mu money and some ..., my legacy and a piece of mine
Remember me for be a fly, most importantly for being I
Got nigga in the ..., put it nigga try to ..
Pack my hoes in a bag, see don't know who to act
Always say you wanna fade, had to put 'em in his place
But let me, for missing my.., fucked up my days,
fucked up my days
It's the boys to fly then I stay up in the hood
...
Giving back to the hood
Baby girl I fell in love with the wipe game
Paper shit make the ... go insane
..so you get go, I got big dream so you get go, I have
big dreams
We took 'em inside, it was all for us

Run to the city like we roab a bank
...every time your mamma flex ... and take a way on
your face...

...

Take it back we're loca

...

We end this gamebut I'm back for the money on
Monday

All I got it's me and mine, that' just all I need in life
That's just all I need in life, my family and a piece on
mine

Some energy and piece of mine

Mu money and some ..., my legacy and a piece of mine

Remember me for be a fly, most importantly for being I

Me and mine, piece of mine, me and mine
