### Verse 1

Jesus, Savior

What do you see in me?

I'm unworthy, undeserving

But by your grace, I am free

### Chorus

And I, will love you for who you are

And all you've done for me

My heart cries out for more

Your love flows endlessly

### Verse 2

Father, You show me

A love I've never felt before

You fill me, completely

And leave me longing for more

### Chorus

And I, will love you for who you are

And all you've done for me

My heart cries out for more

Your love flows endlessly

### Bridge

And when I have my doubts and fears

Pain inside which leads to tears

I know you're always there for me

And when I'm lead astray

With You my heart will always stay

And in your arms there's always a place for me, For  
me, For me---

Chorus 2X

And I, will love you for who you are

And all you've done for me

And my heart, cries out for more

Your love flows endlessly
