Never gonna give you up
Never, never, never,
No matter how you treat me
Never gonna give you up
Never, never, never,
So don't you think of leavin'
Baby, don't you understand
What you doing

You'Â€Â™ re the apple of my eye
I don'Â€Â™ t give a f*ck when the government decides
find a lead...
... is sitting on the couch getting head from a dime
watching the smoke...
You another... that'Â€Â™ s all lies... design and supplies
Sometimes I feel like... 'Â€Â™ cause I start... every...
... no airplane need it for a safety... I will remain seated
And none of my... believe it
B*tches... gets the... never be mistreated
... still... my affection

Never gonna give you up
Never, never, never,
No matter how you treat me
Never gonna give you up
Never, never, never,

So don't you think of leavin'
Baby, don't you understand
What you doing

Seat my... like my weed... kick my feed...
Maybe catch the... truck playin...
When I'Â€Â™ m done lighting up the... let a... feel like
a... looking at...
'Â€Â™ cause I'Â€Â™ ma drink... smell to your room...
Passing to the left everybody feeling cold
No worries no drama... let'Â€Â™ s waiting by the...
quit... chick.

I was on cloud... when I touch down the... all the... gram
like is pose to the window

Got damn... I got it on, yeah I know my name is Shawn...
So I can f*ck the... I smoke back in the day... dough
Said he had a... let'Â€Â™ s go... for the smoke
Faded everything was moving so slow... you told me
F*ck that..
