All I think about is loving you
Every time that you are near,
I just can't help but stare;
I'm dreamin' of eternity with you
So maybe I can run away with you;
Imagine all the things we'd do,
Oh, babe,
Call my name and make this fantasy for real.
Baby I can run away with you;
Imagine all the things we'd do,
Just call my name, call my name,
and make this fantasy for real.
Oh no...
Chorus:
Can't hold it, I can't fight it,
I'm on you, and I can't deny it.
It's all about the things you do,
Boy, you knock me out.
Chorus
Can you feel the vibes I'm sendin', baby?
All me energy and thoughts towards you.
There's no way I could let go
of all these dreams and hopes --
anxiety so deep, the other so new.
Just maybe I can run away with you;
Imagine all the things we'd do,
Call my name, call my name,
And make this fantasy for real
Babe, can we run away with you?
Imagine all the things we'd do,
Just call my name, call my name,
And make this fantasy for real.
"cause, boy, you knock me out.
Chorus x 2
Fallin' for you, this love's a TKO...
Fallin' for you baby...
Fallin' for you, baby...
"cause, boy, you knock me out.
x 2
Chorus.
I'm fallin' for you baby.
I'm about to lose control.

Chorus
Can I run away with you?
Imagine all the things we'd do.
Chorus
I just want to hold you baby.
I just want to hold you and die.
Chorus x 3.
