"Yesterday"

Visit "[Yesterday](#)" on MotoLyrics.com

Yesterday we said our last goodbyes.
Darling, yesterday we gave it one last try.
Though we often said that we would never let it come
to this.
I have nothing left to give.

I can only sit and think of yesterday.

Baby, that look upon your face
Never a tear that I have shed.
We're so far beyond the point of no return
But I can't let this go, my love,
so inside I must remember baby.

Yesterday we said our last goodbye.
And yesterday we gave it one last try.
Though we'd often said that we would never let it come
to this.
I have nothing left to give.
I can only sit and think of yesterday.

So how can I mend a broken heart?
Tell me, baby.
And how do I make a brand new start, baby?
How do I learn to love again,
when all I do is think of all we planned,
and imagine we could someday make it right?

I dreamed you called my name
And a rose to see that everything had changed.

Yesterday we said goodbye
And yesterday we gave it one more try
And I know we said we wouldn't let it come to this.
But I have nothing left to give.

I can only sit and think of yesterday.

Yesterday we said our last goodbye, baby.
Yesterday we gave it one last try.
Though we'd often said that we would never let it come

to this.
I have nothing left to give.

I can only sit and think of yesterday.

It's good forever, oh baby.
'Cuz I'm going to miss you, baby.
You promised forever, baby.
I wish, baby, that we could see forever, baby.

It's breakin' my heart
x3

Baby

Why does this have to be?

I can only sit and think of yesterday.

We said our last goodbye
Yes we did, baby
Yesterday
We gave it one more try
Some time you got to walk on baby, baby
And try to get another game of lover
Yesterday is gone away
No more tomorrows
Should we go darling?

We said our last goodbye.
