I walk alone
Through the shadowed night
No place to roam
No end in sight

I runaway, runaway,
Nowhere to hide
With darkness closing in on me
Through the endless night

Never gonna find the truth of it
Searching through the end of time
Pain is a part of our history
But tonight just feels all right

[Wha-oah, wha-oh oh] I would, I would die for you
[Wha-oah, wha-oh oh] In troubled times we'll make it
through
[Wha-oah, wha-oh oh] I would, I would die for you
[Wha-oah, wha-oh oh] Guess you know that I would die
for you

My heart is black
Filled with silent cries
We can wonder what went wrong
And the pain just grows inside

Trapped in this memory
We live for suffering
[]
And there is no end in sight

Never gonna find the truth of it
Searching through the end of time
Pain is a part of our history
But tonight just feels all right

[Wha-oah, wha-oh oh] I would, I would die for you
[Wha-oah, wha-oh oh] In troubled times we'll make it
through
[Wha-oah, wha-oh oh] I would, I would die for you
[Whoh-aoh, whoh-aoh] Guess you know that I would die

for you

[Wha-oah, wha-oh oh] I would, I would die for you
[Wha-oah, wha-oh oh] In troubled times we'll make it
through

[Wha-oah, wha-oh oh] I would, I would die for you
[Wha-oah, wha-oh oh] In troubled times we'll make it
through

[Wha-oah, wha-oh oh] I would, I would die for you
[Whoh-aoh, whoh-aoh] Tonight just is alright for me
and you

Tonight just is alright for me and you
Tonight just is alright for me and you
Tonight just is alright for me and you...
