Round round get around
I get around
Yeah
Get around round round I get around
I get around
Get around round round I get around
From town to town
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm makin' real good bread

I'm gettin' bugged driving up and down the same old
strip
I gotta find a new place where the kids are hip

My buddies and me are getting real well known
Yeah, the bad guys know us and they leave us alone

I get around
Get around round round I get around
From town to town
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm makin' real good bread
Get around round round I get around

We always take my car cause it's never been beat
Yeah, we've never missed yet with the girls we meet

None of the guys go steady cause it wouldn't be right
To leave their best girl home on a Saturday night

I get around
Get around round round I get around
From town to town
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm makin' real good bread
Get around round round I get around

I get around
Round
Ooo ooo
Ahh ooo ooo
Ahh ooo ooo
Ahh ooo ooo

We always take my car cause it's never been beat
Yeah, we've never missed yet with the girls we meet

None of the guys go steady cause it wouldn't be right
To leave their best girl home on a Saturday night

I get around
Get around round round I get around
From town to town
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm makin' real good bread
Get around round round I get around
I get around
I get around
I get around
I get around
I get around
Round
Round
Round round I get around
I get around
I get around
Get around round round I get around
From town to town
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm makin' real good bread
Get around round round I get around
I get around
Round
