I'm walkin' I'm talkin'
I'm feelin' I am reelin'
I'm hopin' that you're joking
My bones are bruised and broken
They tell me they're going to sell me
'Cause I'm addicted to the things around me
Been cheated and mistreated
My mind is cloudy but I'm not defeated
I am a million miles away
But it feels like I'm coming home
Hanging by a rope
Hanging by a thread
And I got nowhere to go
Nowhere to go
A million miles away - I'm coming home
A million miles away - I'm coming, I'm coming home
Rejected Infected
My time is short but I'm not quite dead yet
Blood pumpin' my heart is thumpin'
Open your eyes
And you might learn something
You can't see me through all the misery
Cause all the roads are blocked by history
Frustrated Complicated
I won't give up just 'cause I am hated
I am a million miles away
But it feels like I'm coming home
Hanging by a rope
Hanging by a thread
And I got nowhere to go
Nowhere to go
A million miles away - I'm coming home
A million miles away - I'm coming home
A million miles away (Rejected Infected) " I'm
coming home
A million miles away (Rejected Infected) " I'm
coming, I'm coming home
Don't turn your back on me
Don't turn you back on me
Don't turn your back on me
Don't turn your back on me
I am a million miles away

But it feels like I'm coming home
Hanging by a rope
Hanging by a thread
And I got nowhere to go
I am a million miles away
But it feels like I'm coming home
Hanging by a rope
Hanging by a thread
And I got nowhere to go
Nowhere to go
