i got my way of life and i won't back down or apologize  
for things i cannot change guess i gotta do things my  
own way and i don't give a damn if you got a problem  
with who i am cause i don't give a fuck you wanna  
change me well you're outta luck i don't think that i  
could never ever change and i don't know if i would  
want to anyway and i don't care if never live to see the  
day we can compromise i'm doing things my own way  
it's so hard to believe that we can see the world so  
differently we don't realize cause we can't see the  
world through each other's eyes we'll never  
understand i don't think that anybody can i won't  
change anyway guess were both just stubborn stuck in  
our ways i don't care if you never see the world like i do
