Say

Can't run, can't hide
No one here gets out alive
Don't get better, that's the best you're gonna get
The deal is in now place your bets

I can't eat, can't sleep
Knowin' that nothin' gonna satisfy me
Another blip up on a television screen
Among an ocean of stars

Tonight I will rage against the forces of fate
The tide is turnin' my way
You should know better than to fuck with me
Tonight I will rage against the forces of fate
You best get outta my way
I'm not gonna fade away slowly

Inside my mind, is a clock tick tockin' time
Not gonna stop until my last days done
You wanna try me, well come get some

Tempt fate, can't wait
I gotta get out, there's no time to hesitate
Not gonna waste it with the cynical fools
Can't bring me down

Tonight I will rage against the forces of fate
The tide is turnin' my way
You should know better than the fuck with me
Tonight I will rage against the forces of fate
You best get outta my way
Oh I'm not gonna fade away

So if you wanna try this disposition
Sacrifice all you know
Sanitize your religion
Take your life and renew and do what you wanna do

Can't eat, can't sleep
Knowin' that nothin' gonna satisfy me

Another blip up on a television screen
Among an ocean of stars

Tonight I will rage against the forces of fate
The tide is turnin' my way
You should know better than the fuck with me
Tonight, I will rage against the forces of fate
You best get outta my way
Oh I'm not gonna fade away slowly
