Told to follow, hard to swallow
Don't you know that they're wasting your time?
Buy the need you and beseech you
To support their bastion of crime

Oh, the darkness is falling
Yeah, can we wake up in time?
Oh, we can't lose the battle
Lose it today, keeps the good times away

Give me something to live for
We're finding a way
Out of the shadows
You've got to show me that we can live for today

Never listen, don't ask questions
Don't expect them to tell you the truth
They'll deceive you and besiege you with the lies
They disguise just for you

Oh, the darkness is falling
Yeah, can we wake up in time?
Oh, we can't lose the battle
Lose it today, keeps the good times away

Give me something to live for
We're finding a way
Out of the shadows
You've got to show me that we can live for today

Fall and sorrow for tomorrow
Days of pain that are waiting for you
Time is bleeding, keeps repeating
My lifetime to find out the truth

Oh, the darkness is falling
Yeah, can we wake up in time?
Oh, we can't lose the battle
Lose it today, keeps the good times away

Give me something to live for
We're finding a way

You've gotta help me
Help me to finally, we're gonna find our way

Give me something to live for
We're finding a way
Out of the shadows
You've got to show me that we can live for today
