When the night has come  
And the land is dark  
And the moon is the only light we'll see  
No, I won't be afraid  
Well, I won't be afraid  
Just as long as you stand  
Stand by me

So darling, darling,  
Want you stand by me  
Just as long as you stand,  
Stand by me,

Stand by me  
When the sky that we look upon  
Should tumble and fall  
And the mountains crumble to the sea  
No, I won't shed a tear  
I won't cry, I won't cry,  
Just as long as you stand  
Stand by me  
So darling, darling,

Stand by me,  
I want you stand by me  
I want you stand, I want you stand  
Stand by me  
Stand by me,  
Darling, darling,  
I want you, stand by me  
I want you stand, I want you stand  
Stand by me

When the night has come  
And the land is dark  
And the moon is the only light we'll see  
I won't cry, No I won't cry,  
No, I won't shed a tear  
Just as long as you fucking stand by me

So darling, darling,  
Stand by me,

I want you stand by me  
I want you stand, I want you stand  
Darling, darling,  
Stand by me  
I want you stand by me  
Stand by me,  
I want you stand, I want you stand  
Stand by me

When the sky that we look upon  
Crumble and fall  
And the mountains tumble to the sea  
I won't cry, No I won't cry,  
No, I won't be afraid  
Just as long as you fucking stand by me

Darling, darling,  
I want you stand by me  
Stand by me,  
I want you stand, I want you stand  
Stand by me  
Darling, darling,  
Stand by me,  
I want you stand by me  
I want you stand, I want you stand  
Stand by me

Darling, darling,  
Stand by me,  
I want you stand, I want you stand  
I want you, stand by me  
Stand by me  
Darling, darling,  
Stand by me,  
I want you, stand by me  
I want you stand, I want you stand  
Stand by me
