[VERSE 1 Cheesa]

She's not a beauty queen, seventeen with no self-esteem
(Everybody say) girl, you wanna dream
Sometimes, she cries at night
Telling God "I'm suffering inside." (Nobody there)
So, she laid her head and cry oohh.

[PRE-CHORUS Charice]

Baby, I see you trying (I see you trying)
And I see you crying (I see you crying)
Look beyond your fears and say,
Baby, I love me this way.

[CHORUS Cheesa]

I'm not perfect, but I'm still beautiful,
No one can bring me down, not even you.
Get off my back, I'm telling all the world
I could make any change, if I wanted,
But I feel so beautiful, just the way I am.

[VERSE 2 Charice]

Implants and surgery, push ups, low-calorie diets
(Didn't work) no matter what you do, (Let me tell you)
It starts with you inside, you gotta say now
Baby, you're worth it,
Baby, I believe in you.

[PRE-CHORUS Cheesa]

Girl, I see you trying (I see you trying)
I see you crying (I see you crying)
Look beyond your fears and say,
Baby, I love me this way.

[CHORUS Charice]

I'm not perfect, but I'm still beautiful
No one can bring me down, not even you.
Get off my back, I'm telling all the world
I could make any change, if I wanted
But I feel so beautiful, oohh just the way I am.

[BRIDGE]

Charice:

Oohh, I am so damn tired,

I was thinking that, Iâ'm not good enough for you
(good for you)

Cheesa:

Iâ'm taking back my dignity

Loving me, for me oohh

[CHORUS]

Charice:

Iâ'm not perfect, but Iâ'm still beautiful

No one can bring me down, not even you

Cheesa:

Get off my back, Iâ'm telling all the world

I can make any change, if I wanted

But I feel so beautiful.

[CHORUS]

(Iâ'm not perfect, but Iâ'm still beautiful

No one can bring me down, not even you)

Get off my back, Iâ'm telling all the world

I could make any change, if I wanted

But I feel so beautiful
