Cold in the night my mind is freezin  
Why do they fool me how disgracin  
Mmeaningless war, no one can leave it  
Why do they live on people bleedin

Hiding this truth, we kill the peace, man  
Pray for these thousands in the eastland

Lie on the ground, I'll still be thinkin  
How they accept this life in true sin  
Unreal is the peace, that we still believe in  
ÃfÃfÃ,Ã hear this sound of madness growin

Fighting with hatred feeds the rich men  
Pray for these thousands in the eastland
