Whoo!

Let you take me out.

I know what you are all about, but when I did, I wasn't trying to lead you on. Now you bring me home and tell me goodnight's not enough for you.

I'm sorry, baby, I didn't mean to turn you on.

You read me wrong.

I wasn't trying to lead you on not like you did.

I didn't mean to turn you on.

You read (You read) me wrong. (me wrong)

I didn't mean to turn you on.

I didn't mean to turn you on.

I didn't mean to turn you on.

I didn't mean to turn you on.

(I didn't mean to.)

I didn't mean to turn you on.

I didn't mean to turn you on.

I didn't mean to turn you on.

I didn't mean to turn you on.

Oh. I didn't mean to turn you on.

Oh. I didn't mean to turn you on.

I didn't, didn't--I didn't, didn't--I didn't, didn't. Di, di, di,  
di, di, di, di.

I didn't mean to turn you on.

I didn't mea
