I'm not the kind of lady  
That goes around castin spells  
The only candles I ever light are for men  
I know very well  
Put on some music and I'll do a little dance for you  
We'll shake a tail feather  
And I'll kick off my high heeled shoes  
I got a face like a child, but I'm gonna prove

I'm all woman  
I'm all woman  
I'm all woman

I'm not the kind of lady  
You can game on or play the fool  
If you don't have the git to git up and go  
Ya better git cause I need the room  
Break out the bottle  
And we'll drink it in the local saloon  
I'm the best in the west  
There won't be any test or rules  
It's gonna be a good trade  
Got it flat out made

I'm all woman  
I'm all woman  
I'm all woman

I'm not the kind of lady  
That ladies like to hang around  
I got this achin down deep inside  
And nobody can tie me down  
Cookin like a woman and lookin for my lovin man

I'm all woman  
I'm all woman  
I'm all woman
