Me, a funny face, I'm painted up like a clown  
See, I woke up today, my makeup was upside down  
Will you love me in the morning  
Will you hold me if it rains  
I been meanin' just to tell you  
You don't have to dress up today

I love ya, deep down inside  
I love ya, deep down inside  
I love ya, deep down inside

Me, if I cry, you know how to make me laugh  
You, if you're alone, you know you can always come  
back  
If you're mountain starts to crumble  
If your sun should disappear  
You're a dreamer,  
I got rainbows if you want to we can share

I love ya, deep down inside  
I love ya, deep down inside  
I love ya, deep down inside
