Commander when you're not around
I smell the sea
In the rain that's falling
The time has come for you to know
I must be free
I hear my name in the wind

Commander there will be a wave
To carry me
Faster than seagulls flying
And time is all I really need
Oh say can you see
I hear my name in the wind
I hear my name in the wind
I hear my name in the wind

Who's the captain
Who's the captain
Who's the captain of Rock n Roll

Who's the captain
Who's the captain
Who's the captain of Rock n Roll

Rock n Roll

Commander when you're not around
I see a land
Far beyond your teaching
And don't you tell me it's the end
The sky is clear
I hear my name in the wind
I hear my name in the wind
I hear my name in the wind

Who's the captain
Who's the captain
Who's the captain of Rock n Roll

Who's the captain
Who's the captain
Who's the captain of Rock n Roll

Rock n Roll
