I do believe that I
Stand alone - no eyes

That comes as no surprise
Stand alone - no eyes
No ohh ohh

I do believe that I
Stand alone - no eyes
Ohh

Comes as no surprise
That
stand alone - No eyes
Ohh ohh ohh

I do believe that I
Would stand alone - no eyes
and comes as no surprise
stand alone
yeah I
Ohh ohh ohh
Ohh ohh ohh

Stay
We're falling
Stay up
We're falling down
Stay up
Only know
Stay ohh

Stay up
We're falling up
Stay with me
My heart it knows
If you should
God only knows
Lay on me
My heart it knows

Lay on me
Stay up with me
My heart
Lay on me
My heart it knows

Stay up with me
my heart it knows
Stay up with me
my heart it knows

So here we are
standing alone
with our eyes closed.
